

GS Retail engagement

B2 · Slide 3 · Redacted company-prepared correspondence summary

Parties	GS Retail ↔ Omelet
Project	Operational Decision Intelligence — Business Unit Modeling
Reference	OME-GSR-QT-2026-002
Quotation date	22 June 2026
Reported status	Contract documents exchanged; revised, currently valid quotation requested to proceed.

Evidence available

The supplied document summarizes contract-administration correspondence and a quotation. It describes staffing and an advance/interim/final billing schedule. Commercial amounts and individual contacts are redacted.

[Open supplied redacted summary \(PDF\)](#)

Supported scope: a company-reported commercial engagement and contract-processing history. The supplied PDF is a typed summary, not a reproduced original email or signed contract. **Paid production status: not yet verified** by this document alone.

Evidence needed for the full pitch claim

Customer-originated contract/PO or confirmation, plus dated go-live or acceptance evidence identifying the routing solution in customer use. Payment evidence or contract terms should establish the paid status separately.
