

Retail A engagement

B2 · Slide 3 · Redacted company-prepared correspondence summary

Parties	Retail A ↔ Omelet
Project	Operational Decision Intelligence — Business Unit Modeling
Reference	[confidential reference]
Quotation date	22 June 2026
Reported status	Contract documents exchanged; revised, currently valid quotation requested to proceed.

Evidence available

The supplied document summarizes contract-administration correspondence and a quotation. It describes staffing and an advance/interim/final billing schedule. Commercial amounts and individual contacts are redacted.

Product and operational evidence

[Watch the routing application \(0:00–0:03\)](#)

Company-confirmed status: routing in paid production, as stated in the pitch. The quotation/correspondence above describes an earlier contract-processing milestone. Customer-level originals and operating records remain confidential.

Public artifact: a redacted company-prepared correspondence summary, not an original email or signed contract scan. The video demonstrates the application interface; commercial/deployment status is attested by Omelet.
